This depends on what the exact differences are between your PCM's factory default settings and the new settings it's created. Because cars change as they age, older cars tend to require more adjustments to these settings. As a result, the older your car is, the more severe your problems are likely to be.

Farah Ahmed Karim was born in 1992 in the town of Riyzabbi, Urzikstan, to Walid Karim and Fatima Karim. Her childhood is largely unknown, but it can be assumed that she and her brother Hadir studied at an unknown school. In 1999, when Farah was 7-years-old, Russian forces were present in Urzikstan. Farah and her mother were buried by rubble ...
