A Spool Of Blue Thread
A Spool of Blue Thread is a miracle of sorts, a tender, touching and funny story about three generations of an ordinary American family who are, of course, anything but . . . Tyler's accomplishment in this understated masterpiece is to convince us not only that the Whitshanks are remarkable but also that every family—no matter how seemingly ...

Thread is used along with a needle to make armour out of leather, dragon leather and cured yak-hide. Each thread spool has 5 uses before it is consumed. A "use" means an action performed, not number of leathers used (e.g. making vambraes, which use 1 hide each, consumes thread at the same rate as making chaps, which use 2 hides each).

Industrial Thread: Industrial machines are built to sew daily at faster speeds and for long hours. They can handle everything from chiffon to stacks of leather. "Industrial thread" is really a 2-part term; it can either describe the spool size (like a 5 lbs spool) or convey strength not found in the home-sewing realm (like Kevlar Thread).
