Mark Twain's autobiography came with a stipulation that it not be published until a hundred years after he died. The Mark Twain Project released Volume One in 2010 with two more to come. I highly recommend it. Twain would be tickled if he knew how much has been published about him. This volume weighs in at over 700 pages.

Autobiography of Mark Twain, Volume 3: The Complete and ...

The Autobiography of Mark Twain refers to a lengthy set of reminiscences, dictated, for the most part, in the last few years of American author Mark Twain's life and left in typescript and manuscript at his death. The Autobiography comprises a rambling collection of anecdotes and ruminations rather than a conventional autobiography. Twain never compiled these writings and dictations into a publishable form in his lifetime. Despite indications from Twain that he did not want his ...
