Voting Changes Enacted or Administered by Any State Official Require Section 5 Review There is a broad range of officials who enact or administer voting changes that are subject to Section 5 review, including legislative bodies ( i.e. , state legislatures, county commissions, city councils), executive officials ( i.e. , governors and mayors), and other officials ( i.e. , secretaries of state, county clerks, registrars).

#### What Must Be Submitted Under Section 5

Changes of state are physical changes in matter. They are reversible changes that do not involve changes in matter's chemical makeup or chemical properties. Common changes of state include melting, freezing, sublimation, deposition, condensation, and vaporization. These changes are shown in Figure below.

#### Welcome to CK-12 Foundation | CK-12 Foundation

Changes of state are caused by a transfer of energy. Thus, during a change of state, the energy of a substance changes. However, the identity of a substance does not change during a change of state. For example, ice and liquid water are the same substance.

#### CHAPTER 3 States of Matter SECTION 2 Changes of State
