The Detroit Diesel
Diagnostic Link®
(DDDL) is a
sophisticated PC
software package that

I use a site that has all the older Detroit's and other diesel engine manuals. It is not free, but is very reasonable, you can become a member for \$5.00 a month, or just a one time charge. It has the 60 series, not sure if it has the DDEC V, but it states they can get whatever a member wants! Here is the site if you are interested.
