Fawn Response: A Trauma Response - Modern Intimacy

Our nation has a strange tolerance of bad behavior, lies, cheating, conspiracies, religious cults, inequality as well as an attraction for drugs, gangs and guns sub-cultures.

Where's the justification for bad behavior in our society ...

1. Introduction. The media conditions society's vision and understanding of sport. In a certain way, the media provides a narrative that exerts a didactic influence on the concept of sport and physical education []. A conception of the mass media is provided by Hyuk-Lee et al. (2009) [] as sources of information about a recent event, which generate a growing interest.

Impact of Sports Mass Media on the Behavior and Health of ...

The same behavior arises from the randomness of health spending. Suppose that some disease affects 2 percent of the population and that everyone is equally likely to be stricken. Treatment costs \$30,000. In this case, the expected cost of healthcare is 2 percent of \$30,000, which is \$600. If people are risk averse, they
