Patheos | Hosting the Conversation on Faith

Faith, derived from Latin fides and Old French feid, is confidence or trust in a person, thing, or concept. In the context of religion, one can define faith as "belief in God or in the doctrines or teachings of religion". Religious people often think of faith as confidence based on a perceived degree of warrant, while others who are more skeptical of religion tend to think of faith as simply ...

Despite the paramount import of Canaanite morality and religion in the realm of theology and general Biblical studies, little was known about the subject 70 years ago except taht which, on the one hand, could be gleaned from the Bible, which, however, was ample enough for faith and on the other hand, that which was preserved in the Graeco-Roman ...

The Religion of the Canaanites - Theology

Faith and Reason. Traditionally, faith and reason have each been considered to be sources of justification for religious belief. Because both can purportedly serve this same epistemic function, it has been a matter of much interest to philosophers and theologians how the two are related and thus how the rational agent should treat claims derived from either source.

As liberation theology picked up steam and support, its relationship with the Vatican and the church hierarchy became chilly—and sometimes hostile. In 1984 the Congregation for the Doctrine of the Faith, led at the time by Cardinal Joseph Ratzinger, condemned liberation theology because of its use of Marxist principles and its association ...

What is liberation theology? - U.S. Catholic

Philosophy of religion is the philosophical examination of the themes and concepts involved in religious traditions as well as the broader philosophical task of reflecting on matters of religious significance including the nature of religion itself, alternative concepts of God or ultimate reality, and the religious significance of general features of the cosmos (e.g., the laws of nature, the ...

Christianity - Beliefs and History of Faith In God and ...

Muyskens contrasts hope with faith (understood as belief), arguing that a religion of hope is both epistemically and religiously superior to a religion of faith. But faith is not generally understood as competing with hope (Creel 1993), and some philosophers identify faith with hoping that the claims of faith are true (Pojman 1986; 2003).

Faith - Stanford Encyclopedia of Philosophy

Religion is a cultural system that establishes symbols that relate humanity to spirituality and moral values. Many religions have narratives, symbols, traditions and sacred histories that are intended to give meaning to life or to explain the origin of life or the universe.
