This study guide is an outline of content that will be taught in the American Heart Association Accredited Advance Cardiac Life Support (ACLS) Course. It is intended to summarize important content, but since all ACLS content cannot possibly be absorbed in Critical Concepts (a class given every two

ACLS Study Guide

ACLS is built heavily upon the foundation of BLS. A large percentage of this course content is structured around the concept that the ACLS student has a strong understanding of the BLS material. Many of the test questions in the ACLS exam are BLS based. Please refer to the BLS study guide or BLS course material as part of your review process.
