Larger than life, Hercules (also called Herakles or Heracles) the demi-god surpasses the rest of the heroes of Greek mythology in almost everything. While he became an example of virtue, Hercules also made serious errors. In the Odyssey, attributed to Homer, Hercules violates the guest-host covenant. He also destroys families, including his own.

The two men met on the borders of Macedon, and before the battle could begin, reached a compromise. Although never honestly considered by any regent, Alexander had a second son, Heracles, by his Persian mistress Barsine. Polyperchon, who would die in 302 BCE, agreed to kill Heracles and, as a reward, was named a major-general in the Peloponnese.
