depth look into the applications that workforces use to stay productive around the world. As organizations uncover the magic recipe for “work from anywhere,” hackers train their sights on an easy target. (Hint: it rhymes with schmegacy.)

Okta Businesses at Work 2022 | Technology Industry Trend Report

The link between leadership, management and enterprise performance is widely understood and accepted. Improving leadership improves management and raises the probabilities of better performance. That boards often change leaders when enterprises are slipping confirms the importance placed on leadership. The flip side of leadership is followership. It stands to reason that if leadership is ...
