One good way to see mood (and, to a degree, tone) in action is through genre-crossing movie trailers. In film editing classes throughout the States, a common assignment is to take an existing film (say, a comedy) and create a film preview that presents the film as a different genre (for example, a horror film).

City pop (シティポップ, shiti poppu) is a loose category of Japanese pop music that emerged in the late 1970s and peaked in the 1980s. It was originally termed as an offshoot of Japan's Western-influenced "new music", but came to include a wide range of styles – including AOR, soft rock, R&B, funk, and boogie – that were associated with the country's nascent economic boom and ...
