Teenage decision making activities can help guide them into thinking through situations. Instead of rushing to poor solutions, teenagers may be able identify the difference between choosing a troubled or successful future. Group and individualized activities can help teenagers look at consequences.

Decision-Making Activities for Teens - Synonym

We all encounter problems routinely. Some of them are caused by our own mistakes, such as sleeping through the alarm or missing a meeting. Some are caused by others, (a stolen wallet) and some are just bad luck (getting stuck in a traffic jam)! What we can do, however, is learn to manage our problems. This involves, in part, managing the emotions that arise when a problem occurs.
