#31: Silver-White Shaggy Hair. How does one make a shag haircut even fresher? With a silver-platinum color, of course! The unruly cut is cooled down by the icy hair color, producing an interesting visual effect when the wildness of texture is tamed by a metallic color.

60 Short Shag Hairstyles That You Simply Can't Miss

The modern '60s shag cut has face-hugging layers on point for a square face, and even a round face shape. With square-shaped faces, it's ideal to slim down the cheek to the jaw area. So, add movement with layers to trim the face in all the right places. Allow the hair to air dry after scrunching in a foam mouse for added texture, too!

Moisturize after cleansing. It's important to give your skin a moisture boost so that it can look after itself. Dry skin ages more quickly if it's not moisturized. Look for anti-aging moisturizers with a high percentage of their active ingredient. If in doubt about which to buy (there are hundreds on the market), try looking at reviews or try to find scientific research supporting the product.
