As the Solution Lead for business and digital strategy, I spend a lot of my time trying to decipher shifts in the market. I analyze trends across various industries and help develop a point-of-view (POV) for existing clients, prospective customers, and Rightpoint as a whole.

I'm a Solution Strategist and This is How I Work | Rightpoint
Conflict resolution strategy #2: Avoid escalating tensions with threats and provocative moves. When we feel we're being ignored or steamrolled, we often try to capture the other party's attention by making a threat, such as saying we'll take a dispute to court or try to ruin the other party's business reputation.

The Food Security Solution, May 20, 2016. In a world that has become increasingly interconnected and chaotic, with more displaced persons since World War II, and with an array of humanitarian disasters that has outstripped the international community's budgets and capacity to respond, why should global food security remain an imperative development priority?
