Sustainable

Wealth Achieve

Sustainable Wealth is a financial planning book for the Depression-like economic times. This book is a good introduction to sustaining whatever wealth you have left after your wealth was squashed by the economic collapse. The highlights of this book were the following: - How public policy is killing economy recovery.

Financial security means that you have

enough money to

ensure you can still

pay for the necessities

in life, despite any

unforeseen

circumstances. An

essential part of

becoming financially

secure is having an

emergency savings.

Despite this however,

studies show that only

39% of people have
