Business ownership includes several work-related tax breaks, as does owning a home or being a student. Tax-sheltered income from eligible municipal bonds can also help taxpayers save. 1.

Top 6 Strategies to Protect Your Income from Taxes

Traditional finance and other business courses analyze a broad spectrum of factors affecting business decision-making but typically give little systematic consideration to the role of taxes. In contrast, traditional tax accounting courses concentrate on administrative issues while ignoring the richness of the context in which tax factors operate.

6. Claim a Credit If Your Business Provides Child Care Expenses . If your business pays for your employees' child care expenses, you can receive a tax credit. The credit is 25 percent of the expenses paid, up to \$150,000 a year. In some cases, this is a better tax break for you than claiming your own child tax credit on an individual return.

8 Tax Filing Strategies for Small Business Owners

Keep ownership and management within the family. The most common causes for failure of the transition of the small business are as follows: There is no strategy. The business is missing energy. The owner lacks the motivation to change the business. The coming generations are not interested in working with the business.
