Frankenstein is known to be a Promethean analog just like when Prometheus stole fire that comes from the gods, and Frankenstein also stole from nature's domain by learning to create life. This is the same when the gods punished Prometheus for the crime, and Frankenstein went through misery because of this creation, and then dies while trying to ruin what he made.

What shocking discovery does Frankenstein make ... - Answers

[1] Education is one of the most important themes shown throughout Mary Shelley's Frankenstein; or, The Modern Prometheus. During the early 19th century in England at the time that Shelley wrote her novel, education, at least in the public sense, was not widely available for every child. Churches often undertook the education of children born into poverty, and other working-class children were ...
