The profession of teaching has changed dramatically in the past few decades. Teachers now educate in schools with grade configurations that vary considerably, teach an enormous range of subjects, and teach students with different needs. Here is a very short guide that will show you roughly what happens in each grade cluster.

Aspiring Teachers: What Age Range Should You Teach?

When you graduate, you will earn a Bachelor of Science in Engineering Technology (BSET) with a major in Civil Engineering Technology. You can choose a civil engineering technology concentration in construction management, structural design or site development. Graduates are eligible to take the Fundamentals of Engineering (FE) exam.
