The submission period for the 2022 NASA Langley Student Art Contest has closed. All entries are now available for online viewing in the NASA Langley Flickr art gallery. Each piece will be evaluated for originality, interpretation of theme, creative techniques, composition, and overall art appearance.

NASA Langley Student Art Contest

Fine-art photography is photography created in line with the vision of the photographer as artist, using photography as a medium for creative expression. The goal of fine-art photography is to express an idea, a message, or an emotion. This stands in contrast to representational photography, such as photojournalism, which provides a documentary visual account of specific subjects and events ...

My book 3 DECADES OF DISSENT is now available on my web store. It's a retrospective of my work from the past 30 years. The book was specifically designed for Wunderkammern that showcased my work at the Gallery of Modern Art in Rome, Italy also featuring 30 new works.. Even though my artwork has evolved throughout the years, I think a lot of the principles that drive my work have stayed the same.
