Instead, I have called you friends" (John 15:15). Christian reconciliation is a glorious truth! We were God's enemies, but are now His friends. We were in a state of condemnation because of our sins, but we are now forgiven. We were at war with God, but now have the peace that transcends all understanding (Philippians 4:7).

We can send robots to explore space without having to worry so much about their safety. Of course, we want these carefully built robots to last. We need them to stick around long enough to investigate and send us information about their destinations. But even if a robotic mission fails, the humans involved with the mission stay safe.

Now if we assign a probability to the  
occurrence of an N-gram or the  
probability of a word occurring next in a  
sequence of words, it can be very useful.  
Why? First of all, it can help in deciding  
which N-grams can be chunked together  
to form single entities (like “San  
Francisco” chunked together as one  
word, “high school” being chunked ...
