'Hidden hands' out to destroy Serba Dinamik, says CEO

These holes were created so that runners can lace their running shoes in many ways in order to get the customized support they need while they run. Looping your laces through the top holes will hold the shoe tighter to your foot while also stopping the shoes from rubbing against your skin if you aren't wearing socks.

In poker, players form sets of five playing cards, called hands, according to the rules of the game. Each hand has a rank, which is compared against the ranks of other hands participating in the showdown to decide who wins the pot. In high games, like Texas hold 'em and seven-card stud, the highest-ranking hands win. In low games, like razz, the lowest-ranking hands win.
