### Worlds Of Difference Philosophers Club

Introducing: The Philosophers' Club presents: WORLDS OF DIFFERENCE. It follows the same format of our original book in the series, and again is the product of actual dialogues I held the world over particularly with children and youth. The book includes dialogues that explore a variety of kinds of difference — e.g. What's the difference between something and nothing? Between a winner and a loser?

Take two philosophers from different time periods and discuss the ways in which their historical context played a role in their philosophy. Kant was concerned with the way we perceive the world. He inherited a host of questions from the debate between the empiricists and the rationalists, and he made an attempt to come up with a solution to ...

Kirby, a dead-eyed pink blob who runs around inhaling everything in his path, has always been a suspicious character. His unknowable facial expressions and mysterious biology give him an ominous quality—a worrying, alien-like nature that seems like it could turn into undirected, kaiju-style ...

### Math and philosophy have finally proven Kirby's evil

It would have made sense for Adler to lecture ACDS students, but he had a different plan and goal. Adler, who wrote more than 50 books, had just published "Reforming Education: The Schooling of a People and Their Education Beyond Schooling." He intended to engage high school students in a debate on the subject. For him, the subject was not new.
